

Lily Solomon

My name is Lily Solomon, I live north of Toronto, Ontario and I am fourteen years old. I started riding when I was four and playing games when I was seven. I have done Dressage and Show Jumping but the past few years I have been focusing mainly on games. I love Mounted Games because of the speed and athleticism required. In November I had the privilege to ride in the Invitational Individuals at the U17 WTC 2015, in Ocala Florida, as the alternate for team Canada, in which I placed second in the A final! I am very excited to be going to Ireland this July to compete, meet new friends and catch up with the ones I met last year in Ocala! I would like to wish all the U17 and Open teams good luck at WTC 2016!
